- *Theft from a wide-open SUV parked next to the church occurred Wednesday at 11:30 a.m.*

This morning (Friday, October 2, 2015), a volunteer at the All Saints Church Thrift Store arrived at the store and found a pane of glass broken in the exterior door. Village officers responded and found evidence of a break-in. Security video and on-scene investigation revealed that a lone slender black male wearing a red or orange string bag over his shoulders entered the store shortly before 11:00 p.m. and stole approximately \$40 in cash and coins. The investigation is continuing.

On Wednesday, September 30 at about 11:30 a.m., a woman parked her SUV on Grafton Street adjacent to the exit driveway for All Saints Church and she went inside the church's preschool to get her children. She left the hatchback door of her SUV side open for a 15-minute period while she was inside the preschool, and she left her purse and wallet in the vehicle.

Upon returning to the SUV, the woman saw a man holding her wallet. She confronted the man, retrieved her wallet from him—including the cash that was inside it—and the thief walked away. The man was described as a black male, late 20's or early 30's, slender build, wearing a black hooded sweatshirt with a white T-shirt underneath, black jeans and white sneakers. The man walked west on Grafton toward Cedar.

Village and county officers responded immediately and searched the entire surrounding area without success.
